Times like these...

After an ALS field trip, Steve and Joy share their dreams.

Sharing times together makes high school a lasting and special memory for each of us. Whether you share a common bond or share a shoulder, memories will naturally be kept, good or bad.

Often lines such as — "You remember the time we ..." or "I'll never forget ..." make high school friendships a strong bond. Years from now, even if you and your friends have lost touch those special friendships will be fresh in your mind. Unique memories can only be made by friends and times spent together.

Friendships are built through participation in different activities, many hours spent practicing or studying together. Critical times that lead you to share a little of yourself with someone can build a special bond that too, will last a lifetime.

Sharing a superior rating, a trophy, a victory or a defeat can strengthen a bond.

So it is for BHS students. They bond together to share some of the happiest times of their lives. They grow and learn together and leave BHS with many memories.

Lisa and Teri were often found sharing times like these.

Ann and Catherine clown around between classes.

Bruce McMeans leads an in-depth conversation about life — football.

...were meant to be shunned

Times like these...

The proof is in the picture

Band members and mascot are a must at BHS pep rallies.

High school adventures will be the foundation of many memories yet to come throughout your life.

The great times each of us remembers develop the cornerstone to the millions of great moments we will each keep; at least one of these pictures depict a special memory for each one of us.

Field trips, yes we've all had good ones and great ones. Such as the varsity football team singing the theme to "Gilligan's Island," or riding the band "dressing" bus.

Extracurricular activities also bring to mind those "dreaded" memories. All drama club members have those days when none of the lines came together and athletes can visualize that one day the coach will pick him as the "one" to do everything wrong.

Bruce goes up for two.

Tommy Adams in action.

Cheerleaders will remember going over the same cheer a million times.

Competitors and fans will always keep memories of a certain game or event when nothing, or everything, went wrong. Relishing in victories — such as the crucial victory over the Boerne Greyhounds in varsity boys basketball.

Then there are also the memories built basically on times spent with friends. Either dragging Main Street or standing around acting silly. Slumber parties, dates, and working develop little pictures in your mind you will always keep. Shopping with friends or playing football on weekends also result in times each one of us will remember.

There are millions of times and things that you will always hold dear to your heart. Friends build memories and that's what makes high school the "Time of Your Life."

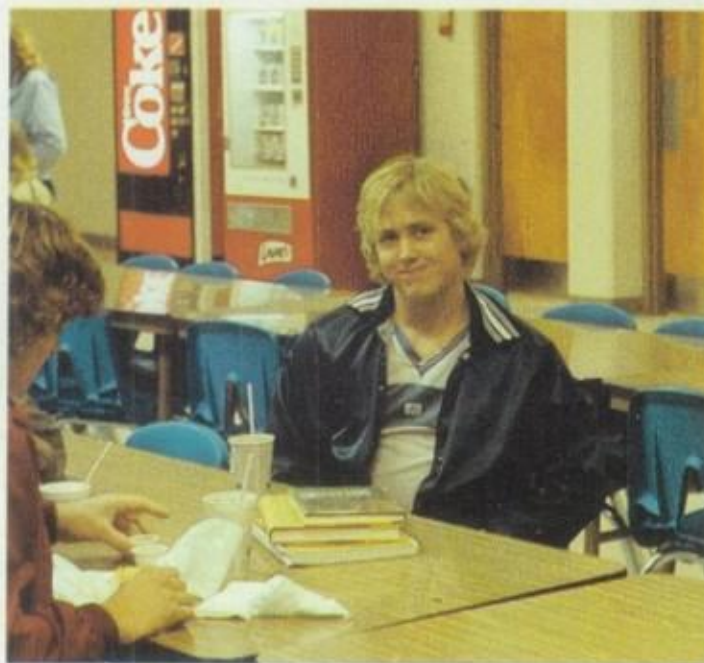

James Compton, Jeff Ott, Tim Butler, and Jimmy Perkins at their best.

Ollis Oliver and Chuck Perry show two of the greatest smiles around BHS.

"One in a million smiles" in the halls and laughs with our friends are all part of the special moments we share during our years at BHS. "One in a million times" we have gotten together in the gym for a pep rally to cheer our football boys on to victory. "One in a million times" we have supported our athletic teams by just being at their games or meets to show how much we care. They work toward recognition and trophies which are symbols of their accomplishments, and they add these to the case of "one in a million" trophies won before. BHS has more than just its athletes to

be proud of. The cheerleaders full of enthusiasm and spirit are always there to support the Bulldogs. The band gives us the gift of music and always makes us smile with their "one in a million" half-time shows. These, along with our "one in a million" clubs, our progressive student council, and our drama friends and our wonderful staff, give our school the personality and character that makes us proud to be a part of it.

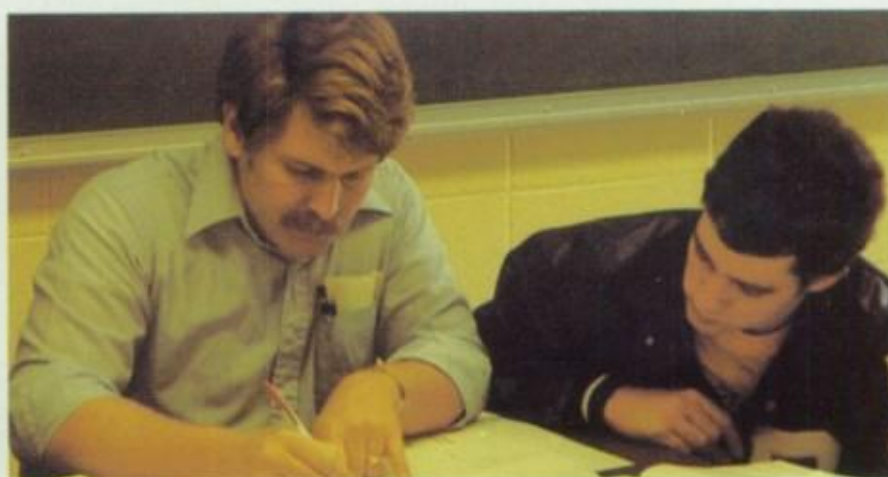

Times like these will be remembered long after our short but special high school years. After all, BHS is truly "one in a million!"

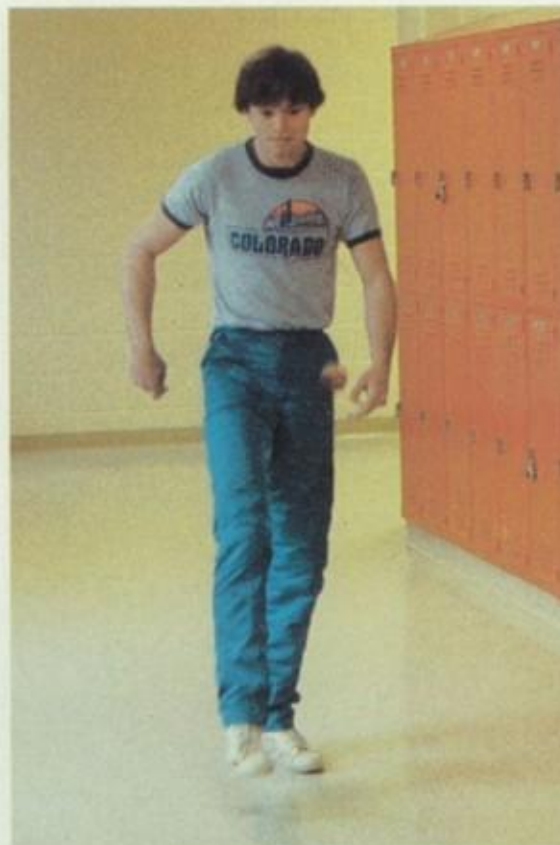

V*I*C*T*O*R*OOPS!

We sing the Alma Mater a million times, but it will always remain special.

Mr. Marshall and Jonathon puzzled again?

Randy says "I've made this shot a million times."

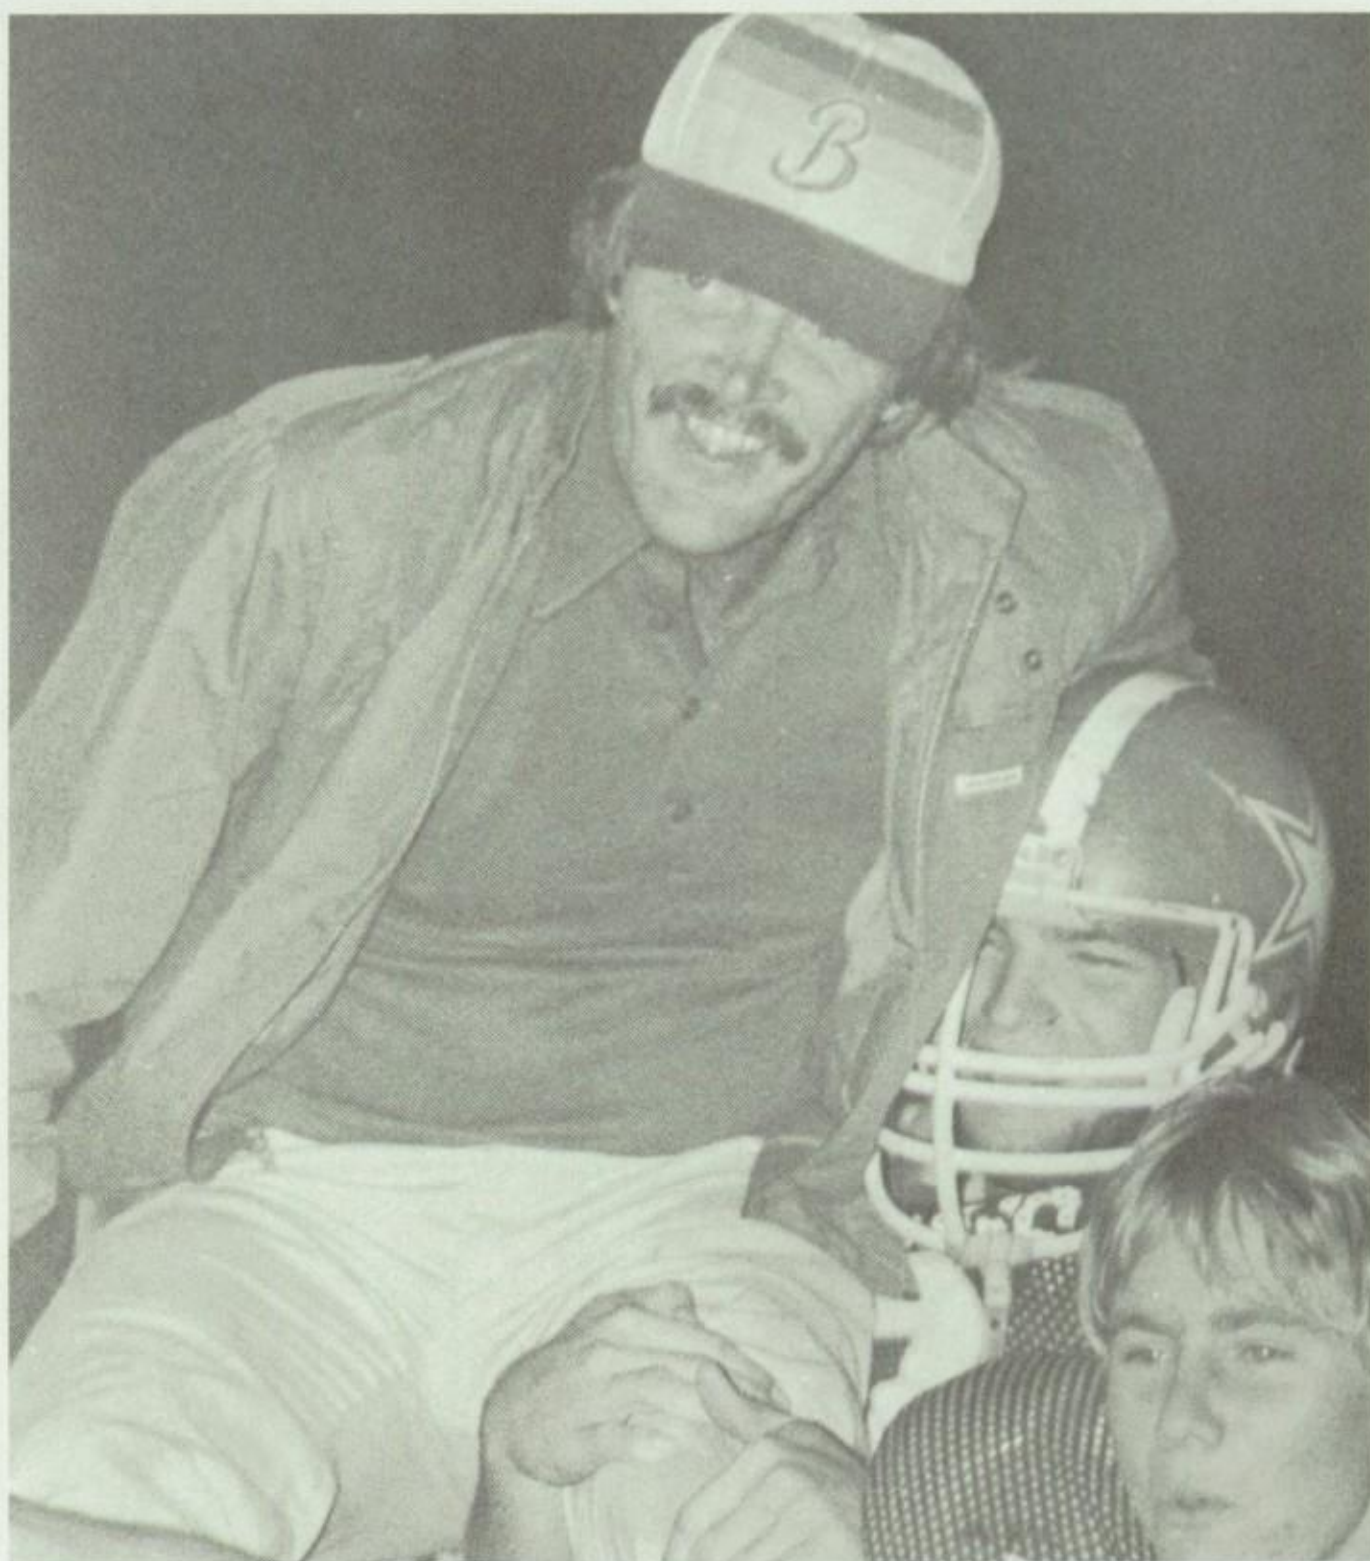

Ted Celis relaxes between songs.

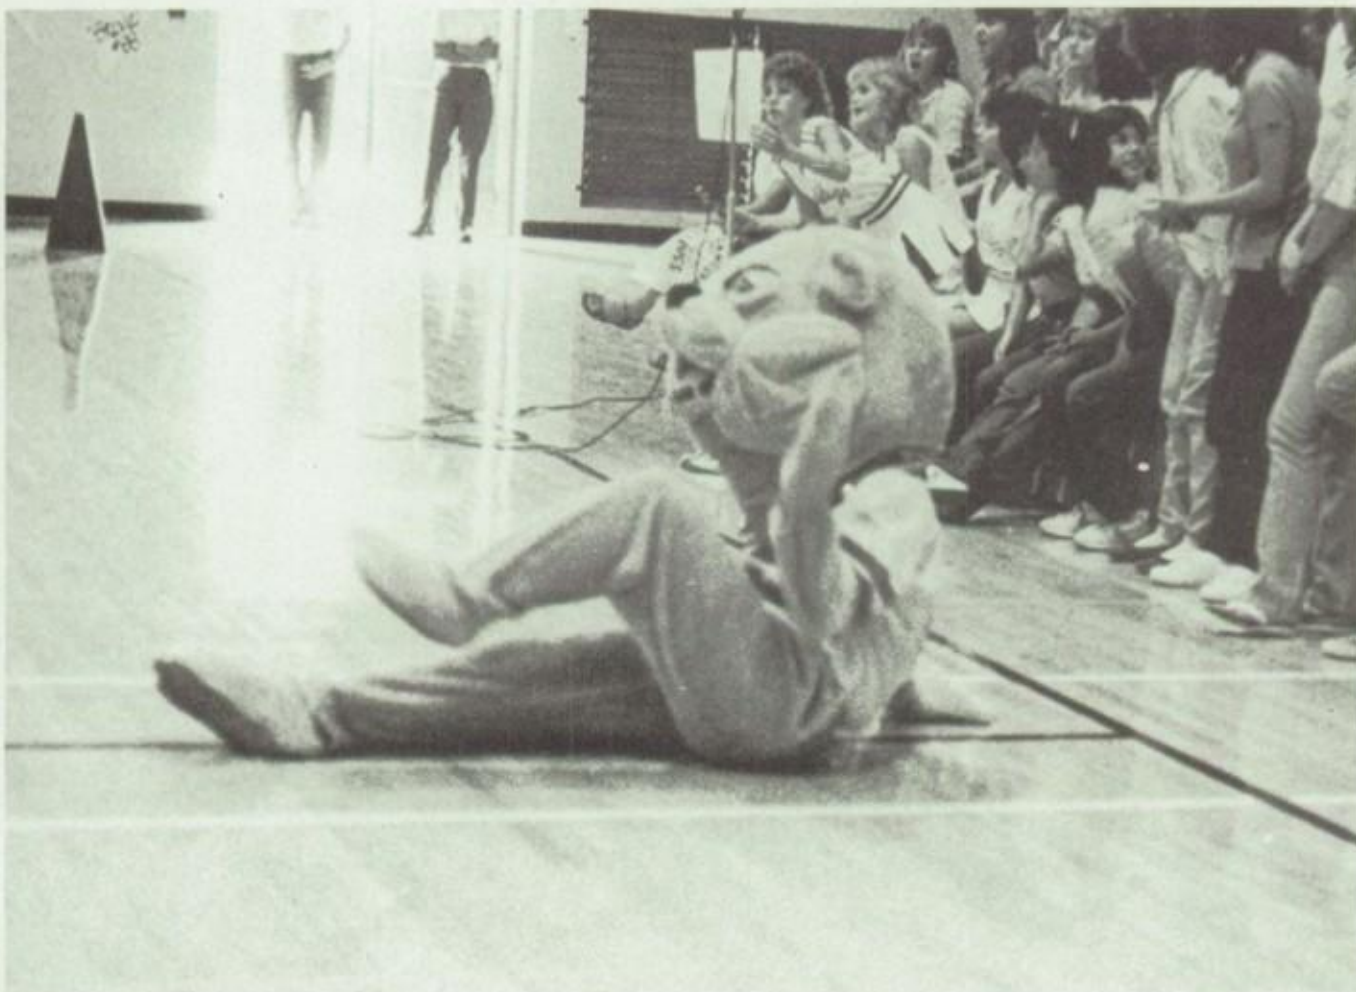

...were one in a million

Times like these...

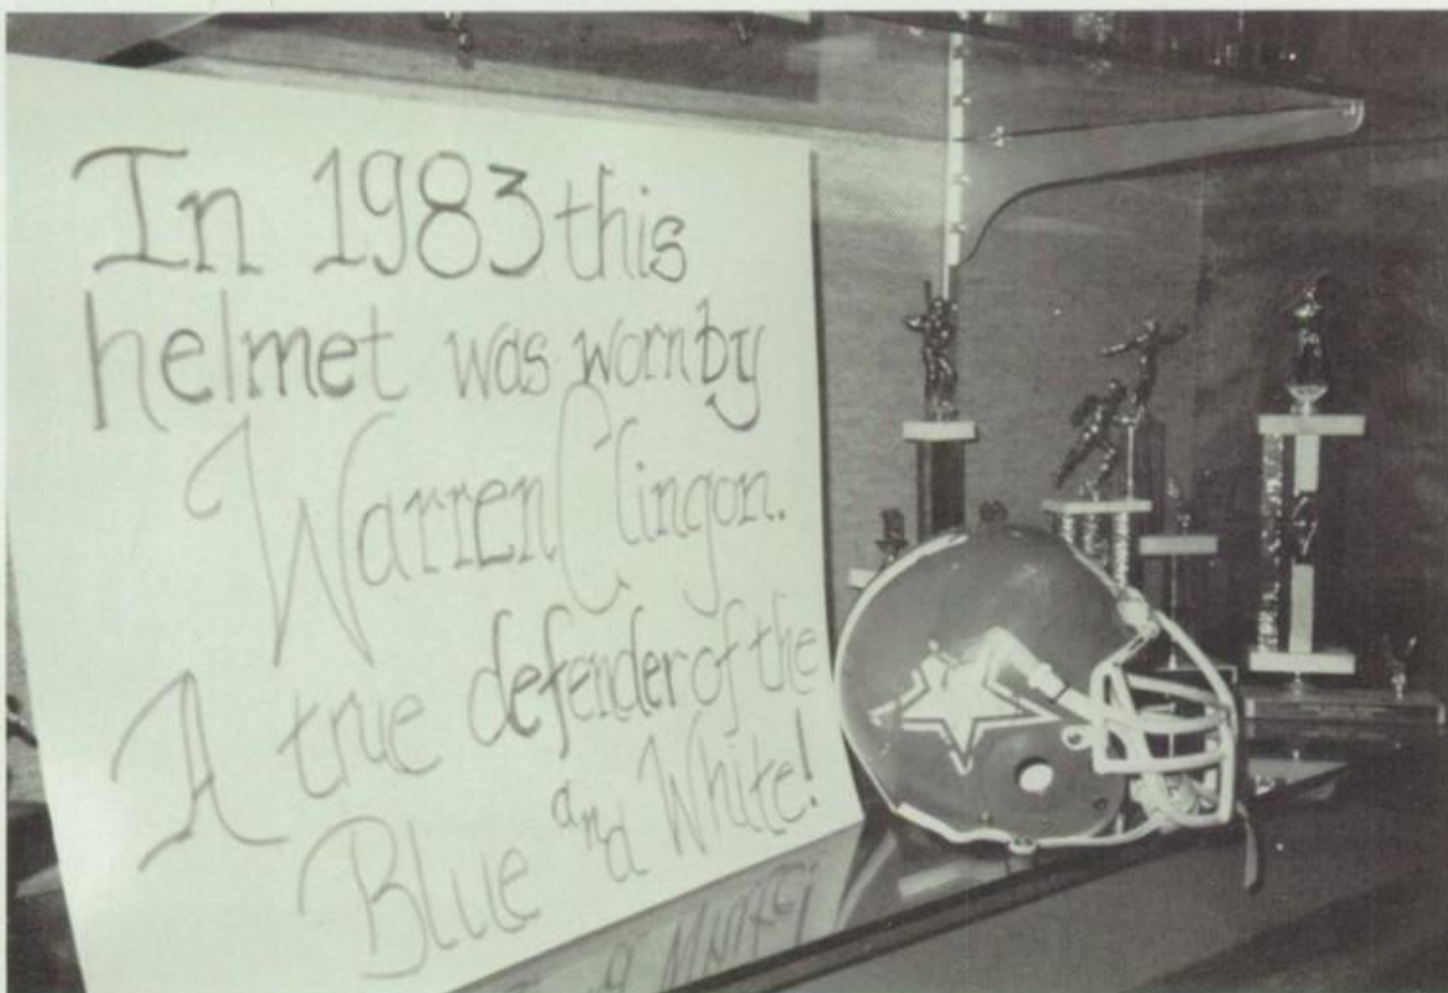

At BHS each organization and individual strives to be the best they can be. This year is evident that their pride and determination paid off. Through hard work and practice the Bulldogs drive for perfection, to become number one. Each possessing a dream that yearns to be fulfilled. They went after it and many succeeded others failed. But because they were bound to be better they picked themselves up and started again. Many times during the year we won and other times — we lost but our attitudes and values made us unbeatable.

Their varied facial expressions show that bandmembers are all different in personality but they all agree that they love their Bulldogs.

Top: Tiffin Youngblood, Tammy Ott, and Sue Pickett obviously enjoy each others company very much. These girls are on their way to an ALS trip in San Antonio. **Bottom:** Missy Mangold, Toni Byam, and Wayne Peck watch Scott Kelly do his impression of Mr. Olympia.

The most important influence on your life is your friends. They cause you to be what you are and act the way you do. To many people they are treasured dearly, like gold and diamonds, but valued even more. Just like a popular Girl Scout song says, "Make new friends but keep the old, one is silver and the other's gold."

At BHS friendship is abundant. Laughter and gossip echoes down the halls as companions group together during the day. All of one's memories are centered around your mates. Ask any senior what they will miss most when they leave high school and they'll reply, my friends. High school years are filled with exams, dances, competitions and homework. It is the best years of your life. A carefree time to be yourself and enjoy your friends.

HOMECOMING CANDIDATES 1983 — Back Row: Fr. — Scott Caloss, Lisa Schwarz. Jrs. — Bubba Caloss, Shannon McMullan, Scott Kelly, Kathy Ryan. Fr. — Eric Verhelst, Gina Herrera. Middle Row: Soph. — James Compton, Randy McHaney. Srs. — Jeff Ott, Nancy Herriott. Front Row: Soph. — Tracey Pendley, Greg Fest. Srs. — Tim Butler, Lisa Vakey.

Right: The highlight of the Homecoming festivities was the presentation of Mr. and Miss BHS. The winners for 1983 were Tim Butler and Lisa Vakey. They were bestowed with this honor by Miss BHS of 1981, Jacque Cantu and School Board President, Mr. Thomas Keese. **Left:** Tim Butler and Lisa Vakey carry out the tradition of the congratulatory kiss.

Homecoming 1983 was highlighted with the presentation of Mr. and Miss BHS. Seniors, Tim Butler and Lisa Vakey were the recipients of the prestigious award.

Homecoming was not only halftime presentations, it started on the previous Monday with "Clash the RoHawks" day. Thursday was the traditional building of the bonfire, the burn, and the cheerleaders doing their stuff. Friday anticipation filled the air. The outdoor pep rally began, once again the cheerleaders yelled and for the first time the Flag Corps did a dance routine.

Student Council decorated after school in hopes of a successful Homecoming dance.

That night the game started with the Bandera Bulldogs against the Randolph RoHawks. In Bulldog history, we had never beaten Randolph in football. We entered the game with a one win, no lose record in district. When the game was over we had 2 wins! This game will not soon be forgotten by students, community, or players.

After the game students attended a great Homecoming Dance. Pictures were taken by Bubba Caloss and music was provided by Gary Galland and Shane Yates. At the close of Homecoming Week, everyone had the same feeling, this year was, "Once again, unforgettable!"

1984 Academics Assembly

May 10, the student body of BHS gathered in the auditorium for the annual Academics Assembly. Certificates of achievement were given for excellence in everything from Mathematics to Band.

The highlights of the assembly was the awarding of the coveted "Will to Win Award." This year's recipient was Senior Steve Nolan. When asked about his reaction to this award, he commented "I was very surprised and very proud."

Mr. Caloss presents the "Will to Win" award to Steve Nolan. Steve also received the Outstanding Upperclass Student Council Representative.

Sandy Riedner Pen-in-Paw co-editor, OAP, UIL Reg. Qualifier, Stud. Council Hist. Reporter.

Shane Yates Outstanding English III, and Comp. Lit. Student SC, Corres. Sec., 20A award.

Nancy Hayes was awarded the Voice of Democracy Award and OAP.

Matt Kelly and Ernest Malone were the Outstanding American History Students. Matt was also a Regional Qualifier in UIL and a member of OAP.

Honors Scholars and More!!

Outstanding World Hist. Students: Kevin Parker, Chris Reeves, and Bubba Caloss (OAP, 20A award)

DIST., REG., AND AREA BAND MEMBERS — Michele Speckman, (Pen-in-Paw co-editor, 20A award), Chris Reeves (20A award), Cheri Magon, Jason Clardy, Billy Morris (Outstanding Eng. II, Alg. III and IV, and Geometry student, UIL Reg. Qualifier), and Jake Frazier

Wendy Valdez was a member of OAP and received the 20A award.

Melissa Ross qualified for UIL Regionals.

Valedictorian, Jonathon Graves received many scholarships along with being recognized as the Outstanding Government Student. In this picture, Jon is receiving his ROTC Scholarship to San Angelo.

Athletes Shine at

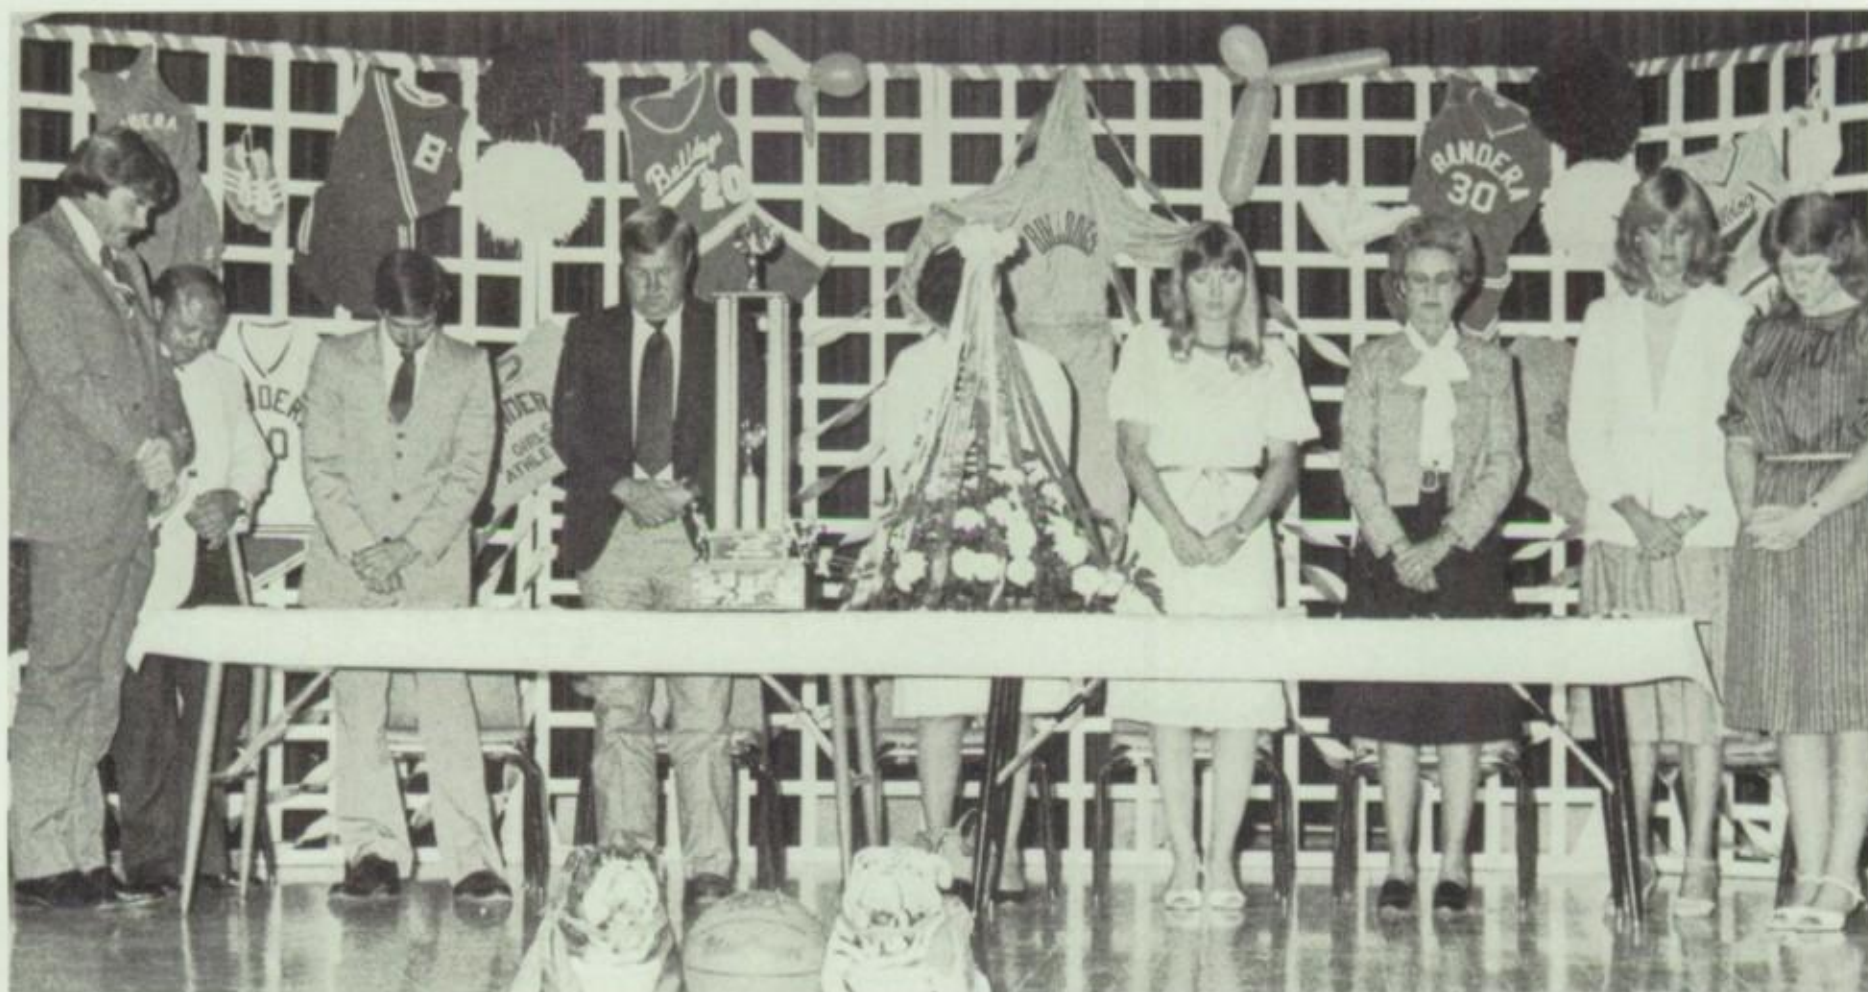

Steve Parker and Tina Doebbler proudly display the trophy they received as most outstanding Girl and Boy Athlete.

Steve Parker speaks of what Athletics has meant to him.

From L-R: Russell Bates, Cliff Bronson, James Compton, Ron Erlandson, Greg Fest, Tim Fritsche, Floyd Hamilton, Jimmy Sides, and Gary Watkins receive their 1983-84 participation certificates.

Sports Assembly

From L-R: Danny Nuese — Football, Track; Tony Johnson — Football, Track; Kevin Long — Basketball; Paul Banks — Baseball; Cheerleader Sponsor Liz Vahey; Nancy Vogler — Volleyball; Barbara Mazurek — Track; Shawna King — Basketball; Shirley Renkin — Basketball. Coaches bow their heads as the invocation is given.

Each year at the annual Sports Assembly many outstanding athletes are honored with various awards. These awards are given as a result of many long hours of dedication by these students to their sport.

This year's assembly was marked by the resignation of Ms. Nancy Vogler, Volleyball Coach. Many of the senior girls were trained under Ms. Vogler so it was with much emotion that they said goodbye.

Coach Nancy Vogler accepts an appreciation gift from Christine Caloss and Mary Bolan.

Just You and I . . .

The theme selected by the Junior class for the 1984 prom was "Just You and I." Close dancing to music by the band "Sure Shot," added to the magic of the evening. This year, the senior class

selected blue and silver as their class colors, "United" by Judas Priest, as their song, and a red rose as their flower. This was truly a memorable occasion for all who attended.

Top: Tina Doebbler and Malissa Methvin welcome the guests. **Bottom:** That OST catering left David Schwarz wanting more.

Teddy Popham, master of ceremonies, delivers his speech as Mr. Caloss waits his turn at the microphone.

The Moments We Treasure

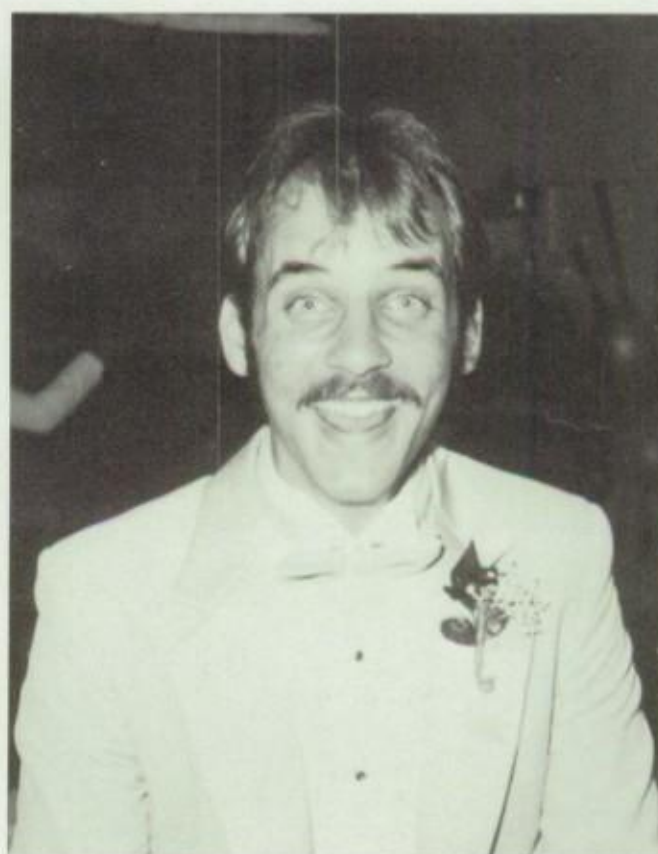

Has Cindy had too much to drink from the punch bowl?

Mr. and Mrs. Neville dance as Mr. and Mrs. Butler look on.

Christine Caloss and her Dad enjoy a dance Prom night.

Gary says, "Heh this is a fun dance."

Prom night was filled with a lot of laughter and even some tears as the graduating seniors of 1984 were celebrating their last prom. The prom would not have been the spectacular evening it was without all the help from all of the devoted parents and sponsors. Thanks to you all for making the Junior-Senior Prom 1984 a very memorable occasion.

Will Be Ours Forever

Gerald as he proudly receives his award.

Kim isn't bashful about being a flirt.

"Hey Nancy look there's another camera."

Highlight of the evening was the announcement of Senior Beauty and Beast Awards. Girls were: Most Beautiful — Kim Persyn; Most Popular — Lisa Vakey; Wittiest — Susan Espinosa; Best Dressed — Dream Neally; Most Talented — Sandy Reidner; Best All-Around — Sandy Riedner; Best Dancer — Nancy Herriott; Most Scholarly — Wendy Frazier; Most Promising Future — Wendy Fraizer; Biggest Flirt — Kim Compton; and Most Athletic — Tina Doebbler.

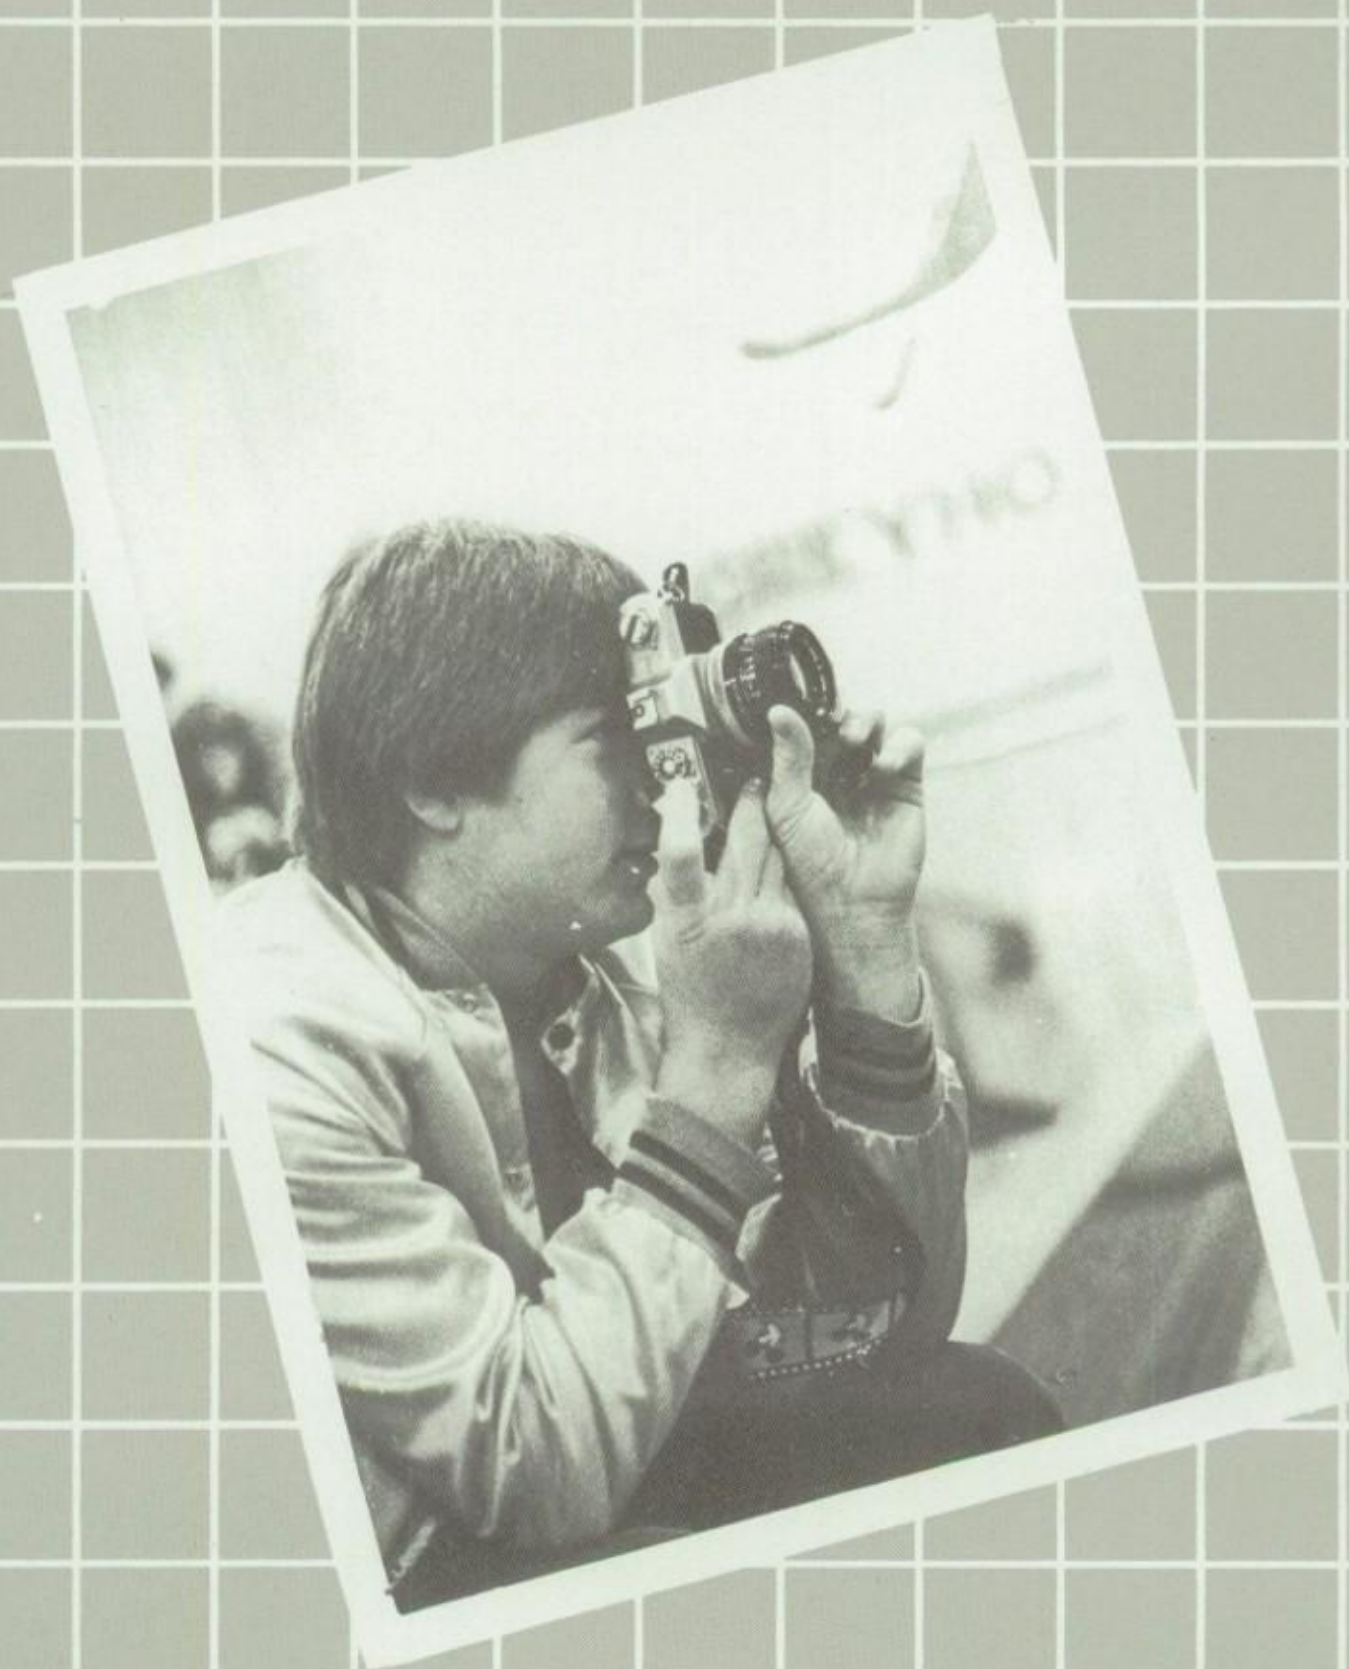

Boys cited included: Most Popular — Tim Butler; Most Athletic — Tim Butler; Most Handsome — Dyke Ferrell; Biggest Wolf — Steve Montgomery; Wittiest — Kris Kruse; Best All-Around — Gerald Boyd; Best Dressed — Chris Reeves; Most Talented — Gerald Boyd; Cutest — Jimmy Perkins; Most Scholarly — Jonathon Graves; and Most Promising Future — Jonathon Graves.

Appreciation was expressed by Senior Malisa Methvin to the senior class parents and class sponsors. Juniors received their long awaited class rings which were given out by Mr. Pfeiffer and Mr. Caloss.

Juniors, seniors and their dates were treated to a night of "Just You and I." There was a collage of colors in the girls' dresses and the boys attire of tuxedos with tails and top hats that made the prom a special night. The prom ended with the couples dancing the night away to the music of the band, Sure Shot.

Toni, Christine, and Laura doing what they do best.

Bubba Caloss! Quit watching the Boerne cheerleaders!

The End of an Era

The Class of '84 left BHS with many keepsakes, friends and achievements. Senior English teacher Baird Neville stated, "The Class of '84 is a great class . . . a class with style, grace, wit, intelligence, drive and heart. The Class of '84 will be remembered with fondness for many, many years."

The seniors were known for their endless enthusiasm in all school events. The Class of '84 was a group of winners who always fought until the bitter end. They had an enormous amount of school spirit which hopefully influenced the future students of BHS.

Highlights of this senior year included Homecoming, the last football game, the Jr.-Sr.

Prom, the senior trip and Slave Day. Slave Day was a day when the underclassmen took revenge on the seniors and tormented them for all of their cruelties and wrong-doings throughout the year. Baccalaureate and Graduation were undoubtedly the most awaited occurrences in any senior's life. They marked the beginning of a whole new challenge when the Seniors of '84 stepped out into the world to begin their adult life.

As the seniors ended their high school career, they sensed the stimulation of graduation and the sadness of leaving behind their associates with whom they held a bond of friendship that would never be forgotten.

Endless enthusiasm has led the Junior class to accomplish goals and live up to their responsibilities.

One major achievement of the Juniors was raising money to host the Junior-Senior Prom by sponsoring fund raisers including concession stands and mum sales.

The Senior ring is chosen, during the Junior year, to express the individual's achievements at BHS. The rings are presented at the prom.

Sophomores: The Class With Class

Sophomores at BHS have a combination of spirit, pride, and enthusiasm that makes them truly unique. They have been recognized many times during the 1983-84 school year. One such recognition came when the sophomores won the bucket brigade.

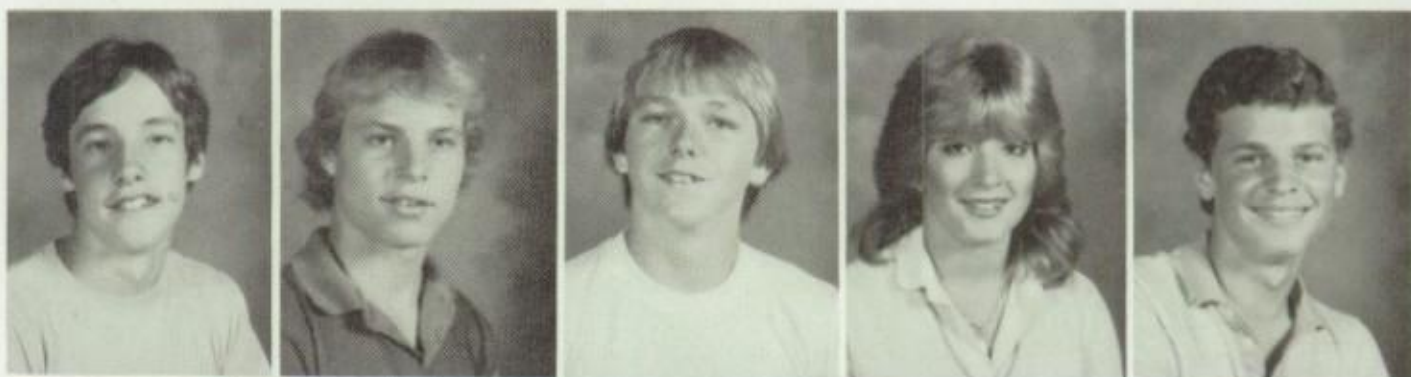

Two truly outstanding sophomores are Billy Morris and James Compton. Billy received the Hugh O'Brien Outstanding Leadership Quality Award, and later went to a seminar in San Antonio with the other recipients of the award from neighboring cities. James was named the Outstanding Player of the Year in Class 3A Football by Dr. Pepper. It is unusual for someone so young to receive such a prestigious award.

As the year goes on, the sophomores will continue to prove that "The Will to Win Cannot Be Beat."

Band Takes Giant

Sweepstakes Trophy was enjoyed by the Swingin' Band from Bulldog Land this year for the first time in ten years.

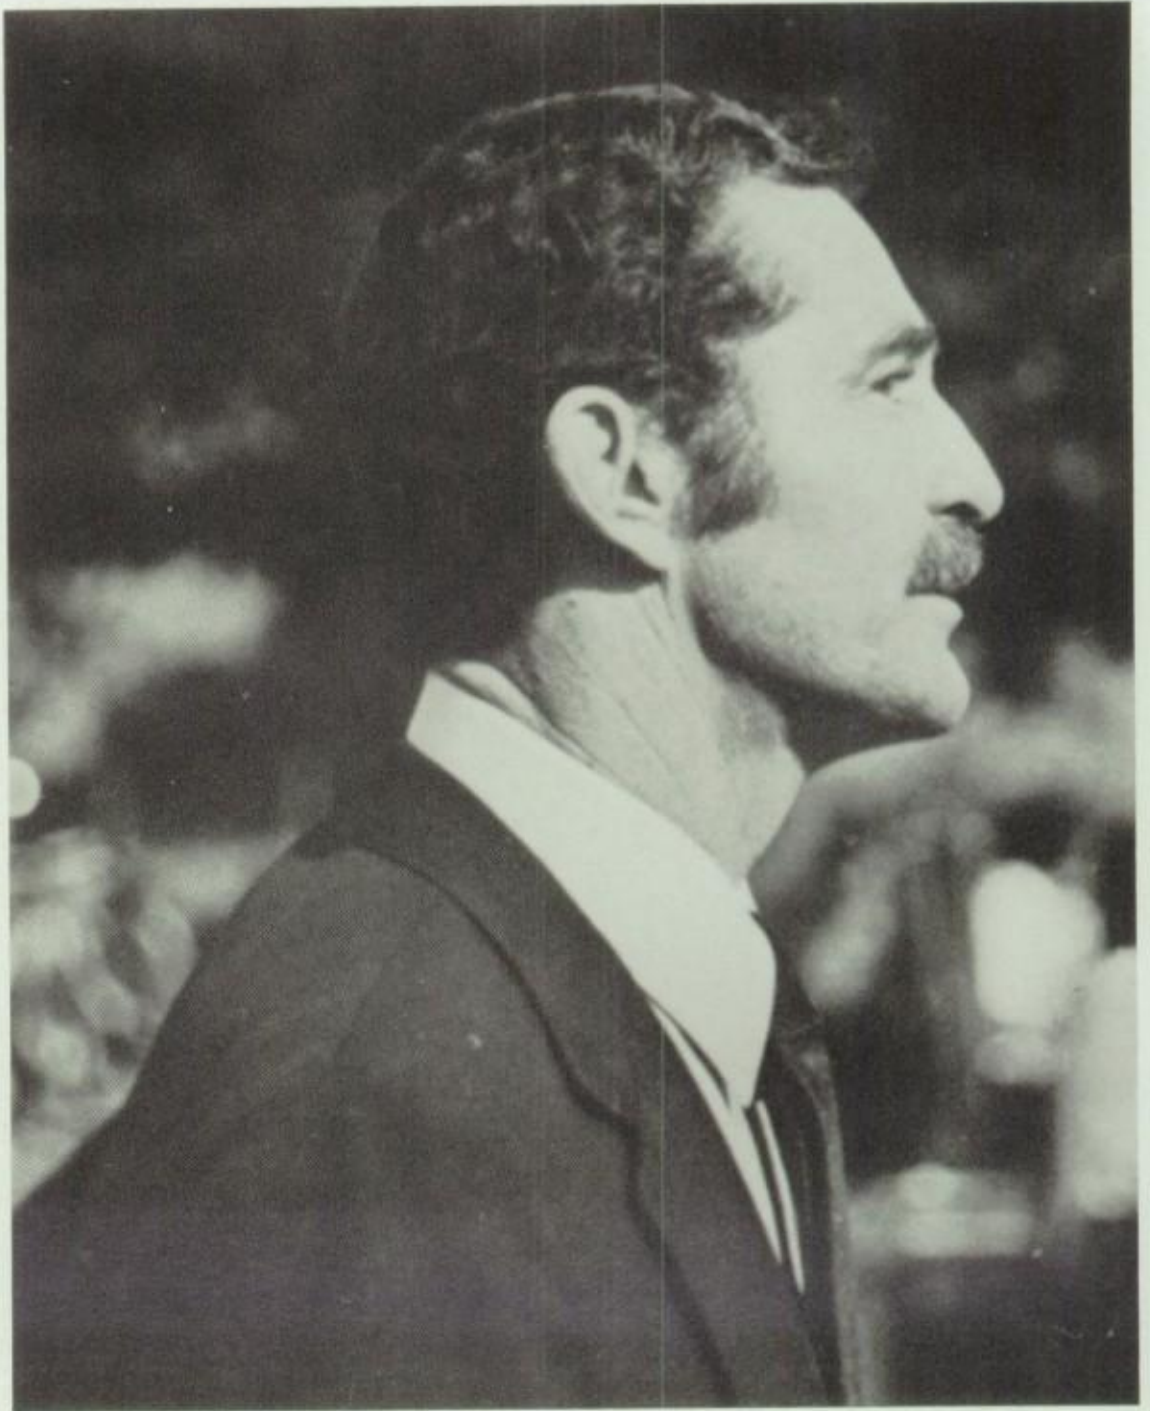

After being in the rut of receiving a 2-2-1 split for the past four years in marching, they finally received a Division I. They now had one foot over the hill, striving to get the next over. Many long hours went into both marching and concert to make the best performance ever!

At the next contest, Concert and Sightreading, the band received straight one's from every judge, the highest ratings in Class AAA. They won the long awaited Sweepstakes Trophy.

Seniors in their band careers have been a part of five division one's in concert and now a cherished sweepstakes trophy.

Individual performance is a great asset to the band organization. Seven students made the All-Region band and two of those students advanced to Area. In solo and ensemble contest we had nine receive division one's and will go on to State.

So many great things have happened to the band this year that you could say "Time was on our side" in the Bulldog Band!

Mr. Tome Walters is filled with apprehension and anticipation as he awaits the results from marching contest.

A Touch of Flash!

Drum Major: Christine Fleming

A "touch of flash" was added to the band this year by the Flag Corps and Twirlers. A ten-man rifle team and pep rally performances were two of the new attractions.

Christine Fleming, Junior, was the leader of this eighty-five member band. She attended drum major camp at Texas Lutheran College in the summer and learned many new commands and styles.

Some of the flag corps also attended camp at TLC.

JV clowns around!

Junior Varsity Cheerleaders — Randy McHaney, Diana Garcia, Jenny Persyn, and Lisa Schwarz spent the 1983-84 cheering season relaying their "sparkle" to the people they came in contact with. From the JV Football team to the instructors of the summer camp they attended, the girls contributed their best job.

With sponsor Liz Vakey, the girls attended an ICF Summer Camp at Southwestern University in Georgetown. The girls received ten ribbons of excellence. They did a great job, but didn't receive the most coveted ICF award, the "Sparkle and Shine" ribbon. They

worked diligently during the week, and were awarded a ribbon entitled "100 Percent" which was greatly deserved. Throughout this year these four girls have purely proven they are capable of that coveted award. Their "sparkling" personalities and "shining" performances attribute to the fact that, in my book, they have received the "Sparkle and Shine" Award.

Giving It All We've Got!

Throughout the last two years I have learned a lot about different things, and without the six of ya'll and Mrs. Vakey I don't think I would have survived it.

Run-throughs, pep rallies, camp, and games were just a few things your involvement made possible. The student body can't imagine the work you put in; I realize it, and more especially I thank you for it. Thanks, not just for your hard work but for putting up with me and sticking to one of the hardest jobs at BHS.

Mrs. Vakey, a special thanks for your continued support throughout these last two years. I speak for all of us — we love and appreciate you! Good Luck to the next "generation." — Toni

Contrary to popular belief, Journalism is not a blow off class! In fact, to even be considered for the Journalism class you have to be an outstanding English student.

After you are finally accepted, there are numerous things to be done each week. The two editors for Pen-in-Paw must put their brains to work on Wednesday to find stories to assign to the other students. The stories have to be written, typed up, duplicated, and proofread before they are sent to the publisher on the following Monday.

Then comes the annual pages, Mrs. Margie Keese, sponsor, assigns pages and they are due in one month. Although, some times they don't always get in on time! All through the year there are Journalism meets where Journalism students from all different schools compete. They write headlines, feature stories, news stories, and editorials. This year Bandera had three regional qualifiers in the District meet. Melissa Ross qualified in editorials, Toni Byam qualified in headline writing, and Christine Caloss qualified in feature writing. The three, along with four teachers and six other regional qualifiers attended the meet in Kingsville.

Association of Legal Students . . .

Association of Legal Students is an organization in which its members learn more about our government and all the branches of its legal system.

During the year ALS has held many meetings with special speakers such as Ms. Zickler, who toured the group through the First National Bank of Bandera, and Officer Jimmy De Lesdernier, who also took the group on a tour through the county jail. Officer Danielle Butts presented filmstrips on the effects of drug abuse.

ALS is open to any upperclass student who is interested in furthering their knowledge about our legal system. With every meeting the members explored many different problems varying from habitual use of drugs to our unpredictable legislature.

Vivacious Nancy Herriott selected Outstanding ALS member.

They Know the Law!

Mrs. Nancy Hunter and Ms. Mary Perkins, have definitely been tremendous assets to ALS this past year. Due to the joint efforts of all their hard work, every meeting and field trip went very smoothly and successfully. They have taught our group how important a proper education of the law really is. Mrs. Nancy Hunter is the Government and American History teacher at BHS, and Ms. Mary Perkins is a secretary for Mr. Glendon Roberts, attorney in Bandera.

NHS OFFICERS — **L-R:** Keith Kindla — Vice-President, Wendy Frazier — Treasurer, Sandy Riedner — Secretary, Jonathan Graves — President.

More Than Just Intelligence

Members of the National Honor Society are chosen on the basis of four qualities, Character, Service, Leadership, and Scholarship. Members must exhibit these in their classes and extracurricular activities.

After screening possible candidates for a grade average of 85 or above, their other qualities are ranked by a committee of faculty members to determine who will be initiated.

This year only eleven students were selected for this honor. These eleven were initiated May 7 in a special ceremony held in the auditorium.

Each of the officers of NHS spoke on one of the four qualities that should be present in NHS members. President

Jonathan Graves spoke on the quality of Leadership, Vice-President Keith Kindla on Character, Secretary Sandy Riedner on Service, and Treasurer Wendy Frazier on Scholarship.

The initiates then lit their candles and President Graves led them in the NHS Pledge.

The senior members were presented with NHS patches which they wear on their graduation gowns. The time had then come to announce the Outstanding Senior member of NHS for this year. This award is given to the senior who makes the greatest contribution to NHS throughout the year, and best exhibits the four qualities of NHS. This year's recipient was Jonathan Graves.

1984 football season was a good one for the Bulldogs. They not only got into the state playoffs, but beat the Randolph Ro-Hawks in the package, the first time Bandera has ever defeated Randolph in football.

Bandera had many gaudy statistics on offense, and many old records were broken, four to be exact. Tim Butler broke the all time passing record for touchdowns by throwing 13 of them. Steve Parker caught nine of Butler's touchdowns to break the record on most touchdowns caught in a season. David Schwarz broke the record for the most passes caught in a game with eight for 115 yards.

Sophomore James Compton broke the rushing record. James gained 1,646 yards to demolish the previous record of 866 yards by Hubert Risinger. James also scored 19 touchdowns.

These examples exemplify just what kind of year the Bulldogs had. Together they outmanned opponents and defensively tore them apart. Through the regular season the Bulldogs were 8-2, with their only losses coming from a 35-6 decision against AAAA New Braunfels Canyon, and long time rival Boerne Greyhounds 9-6.

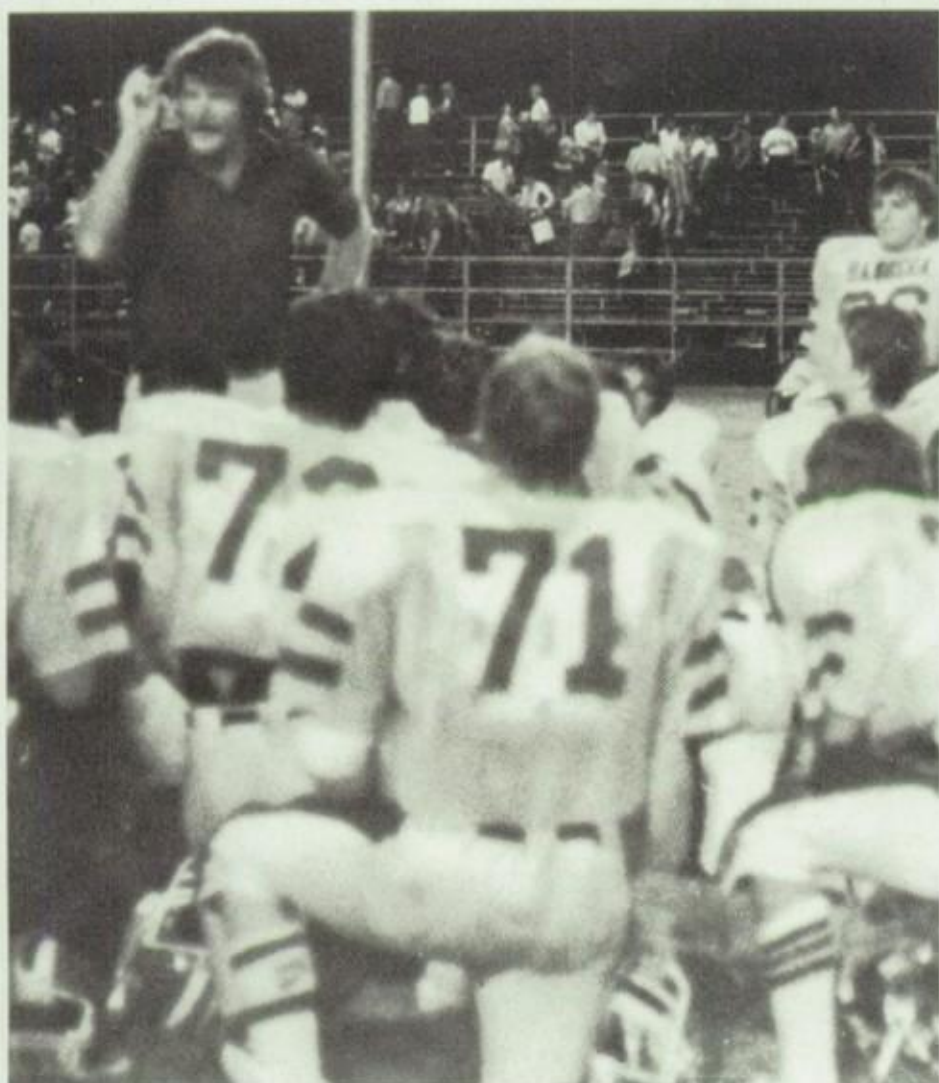

Sophomore James Compton breaks for one of his many long gainers.

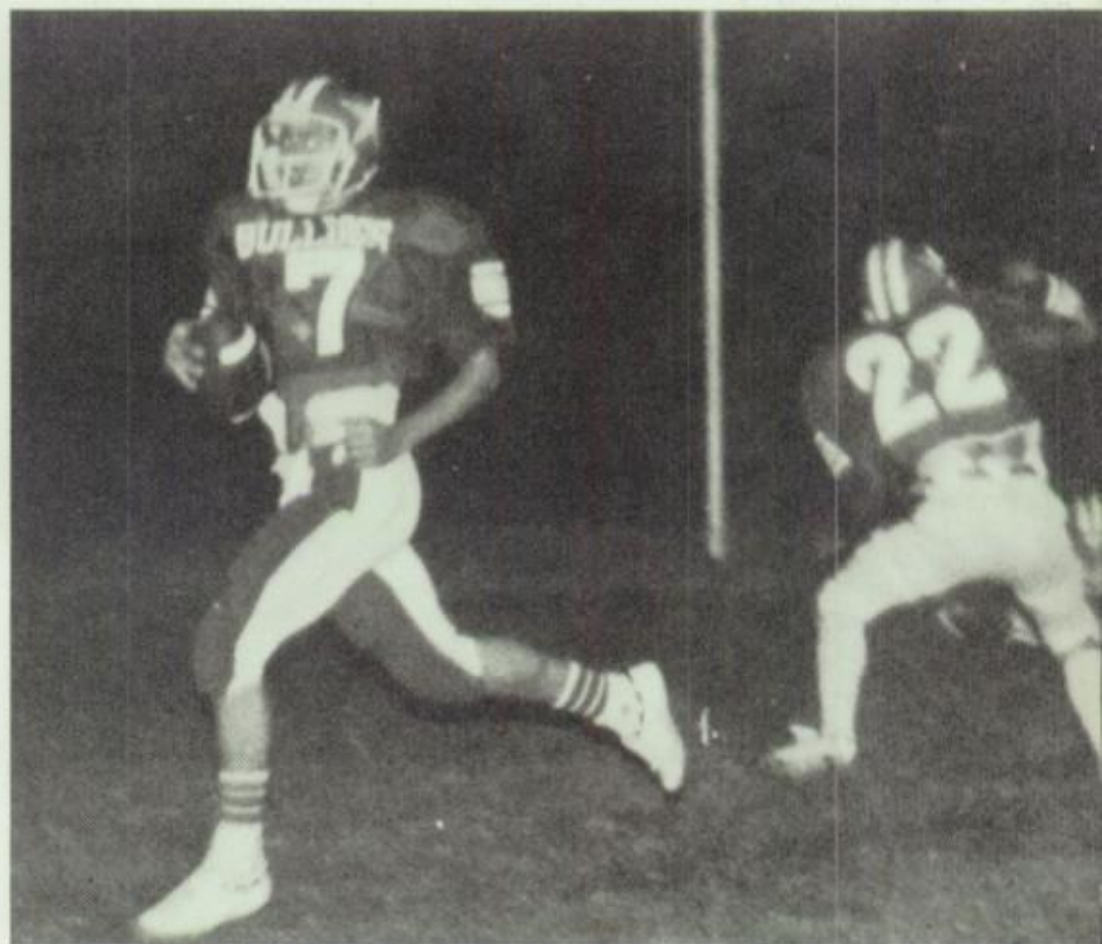

By the expression on Coach Neuse's face and the scoreboard in the background one can tell that Bulldogs were victorious once again.

FROM UNDERDOGS . . .

TO WONDERDOGS . . .

The untiring enthusiasm of Coach Neuse led the team to a playoff berth.

Jimmy Sides scores a touchdown.

Ending the Homecoming week was the decisive victory over the Randolph Ro-Hawks with a score of 19-15. In the game the Bulldogs put their best effort forward and worked as a team to defeat the Ro-Hawks. This victory marked a first for a Bandera team to beat a Randolph team in 20 years of competition. This win helped Bandera to progress to the State Playoffs where they were to meet Van Vleck.

For the first time since 1972 the Bulldogs reached the playoffs and what an exciting game it was. Bandera was an underdog in the game and Van Vleck was picked to blow Bandera off the field. Bandera's defense held Van Vleck to zero points and only 67 yards in the first half as Bandera took 7-0 half-time lead. What a surprise to everybody! The second half was a different story as Van Vleck came back with 3:19 left in the third quarter and made a 57 yard touchdown run, after which the Bandera defense fell apart giving up 21 points in the fourth quarter.

As freshmen these champions were 0-10 but the season ended with a record of 8-3 to show they truly are WONDERDOGS!

Delbert Duchenaux makes an exciting run.

If "desire" was a measure of achievement, the BHS Volleyball team would hold the title of "State Champs." Unfortunately, the scoreboards did not fall in favor of the determined team. Led by five seniors, the Varsity and J.V. squads had an exciting season, grasping the hearts of many with hard-fought games.

Constant Practice Produces Winners

"I feel that cross country has been the toughest sport that I have ever participated in. Not only has it built stamina and strength it has provided a quality of leadership. There were times of defeat but it was always followed by thrills of victory. I am never going to regret being a part of Mrs. Mazurek's cross country program," stated Senior Tina Doebbler.

Each member of the cross country team put forth their supreme effort in every 2 mile run. Daily practices began in early August and continued throughout the season under the supervision of Coach Barbara Mazurek. The team participated in several practice meets in order to prepare themselves for the district meet which was held on the Bandera High School campus. Overall the team placed third in the district meet losing the first place title to Boerne by only 3 points. Beckie Clements placed fourth, with a time of 13.18, allowing her to qualify for the regional meet. Nancy Patton placed 6th — 13.44 and Tina Schott placed 7th — 13.59.

Coach Mazurek summed up the season by saying, "Let us not measure the worth of this '83 cross country season solely on the basis of points scored and medals/meets won, but remember also, the individual successes, victories, accomplishments and personal goals that were achieved. From our seniors we had experience, leadership and certainly the "Will to Win." As a group our runners reflected great attitudes and a willingness to work. The Bible verse, 'whatsoever a man thinketh in his heart, so is he,' comes to my mind; we thought we were winners, so we were."

Tim Lurker, the only male cross country participant, runs a steady pace until the end.

Beckie Clements regains her breath after once again placing in the top ten.

Mrs. Mazurek congratulates Barbara Brieno on a job well done.

The varsity team had the "Will to Win" and was predicted to do so, but even its winning attitude could not change the outcome.

The varsity girls basketball team worked under first year coach, Shawna King. The girls started district play with a winning record of 3-0. However, the girls were defeated by rivals, Smithson Valley and Boerne, downing their record to 3 wins and 2 losses.

The 10 girls and Coach King started the second round determined to win. The teams high hopes were halted when they were again defeated by the same two teams. The challenging season came to an end with a district record of 6 wins and 4 losses. The 1983-84 basketball season was a hard fought journey containing stiff competition and close calls.

Coach King always offered words of encouragement, to the girls to do their best at all times. Each practice consisted of enthusiasm and desire to improve skills.

Coach Shawna King summed up the season by saying, "The road to success runs uphill and our season was a tough climb. The girls made slow but steady progress never looking back to our first stumbles. Due to outstanding senior leadership, enthusiasm by all, and lots of grueling 'suicides' (exercise) our basketball season was a success. Coaching the girls' basketball program at BHS has been one of the most challenging and enjoyable times of my life. I can't begin to tell my players how proud I am to be their coach. Thanks, girls, for a super year!"

"Gold" Found After Ten Year Search

It was a fairy-tale season for the Varsity Basketball team who previously held a 3-7 record in '82 and came back with a 8 win and 2 loss district record, clinching the 1983-84 district title.

"I told these guys at the beginning of the year that if they didn't quit they would be District Champs, and they never did. I'm very proud of them and what they have accomplished this year," stated Coach Kevin Long. Long has coached at Bandera for three years and is proud to have helped the Bulldogs grasp their first District Championship in ten years.

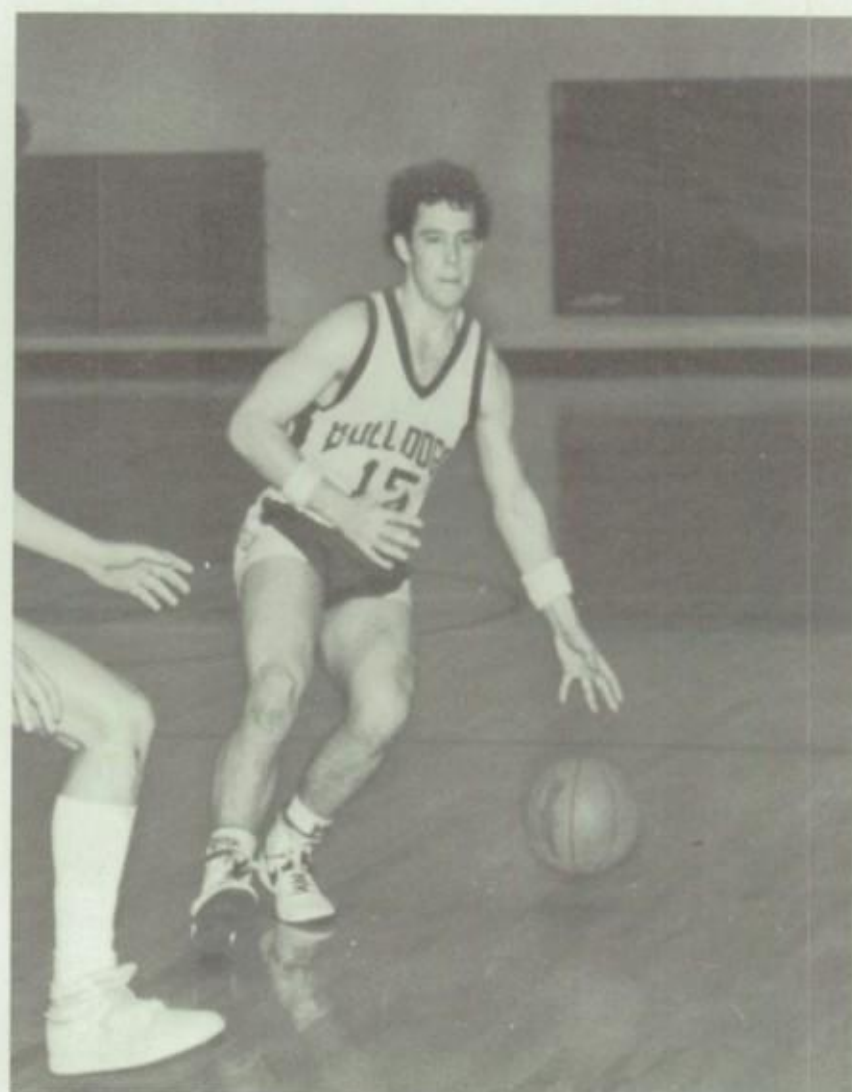

Qualifying for Bi-District playoffs, Bandera met up with Van Vleck at the Texas Lutheran College gymnasium. Unfortunately, the Bulldogs were beaten by Van Vleck, thus, ending their remarkable season.

Track Sends Five

The 1984 Track Team had a disappointing season with the loss of District but five members were able to qualify for Regionals. These qualifiers include: Steve Nolan, Delbert Ducheneaux, James Compton, Gene Mathews and Jimmy Sides. They were entered in the sprint relay, 110 and 300m, hurdles, and the 200m. run. Coach Tony Johnson said, "We had a pretty good year considering. The most exciting part of the whole season was when Delbert qualified for both the 110 and 300m. hurdles at District." The Junior Varsity Track Team placed third at District. Next year they should all be returning. "The mile relay will be back stronger than ever," said Coach Johnson. This year's track team consisted of only five seniors so the underclassmen really dominated the team. Next year's team should be a strong and experienced team.

Graduation '84

Sure am I that this day we are masters of our fate; that the task which has been set before us is not above our strength; that its pangs and toils are not beyond our endurance. As long as we have faith in our own cause and an unconquerable will to win, victory will not be denied us.

Senior Class Motto

Friday, June 1, 1984, the Bandera High School auditorium was filled with friends, relatives and 86 anxious Seniors. As the Class of '84 walked down the auditorium aisles to the traditional Pomp and Circumstance each one realized that this would be the last time he/she would walk into Bandera High School as a student. Many tears were shed throughout the evening. The 1984 Senior class parted with many remembering the past and many anticipating the future. To Bandera High, graduation meant saying goodbye to the proud Class of '84 and looking forward to what the classes of '85 and '86 had to offer.

Smith and Boyd Highlight Baccalaureate

Gerald Boyd inspires the audience with his breathtaking voice.

Wendy Frazier, salutatorian, fiddles with her graduation cap before the ceremony.

Baccalaureate service was held at the Bandera High School Auditorium on Sunday, May 27, 1984. Candidates for graduation attended the religious ceremony which began with the invocation given by Keith Kindla. Wendy Frazier read scriptures before Gerald Boyd sang the beautiful hymn, "Just As I Am." Kim Compton introduced guest speaker Mr. Martin Smith. Mr. Smith spoke on the subjects of possessions. He urged the seniors to really possess their possessions. The Benediction was given by Kim Persyn.

Seniors "Slip Away" to the Schlitterbahn

Seniors relax after a fun filled day at the Schlitterbahn.

Joe, Gerald and Jerry float down the river in their tubes.

Lisa, Tiffin, Christine and Nancy carry their tubes to another shoot.

Kim, Sue and Betty smile while carrying the big innertubes.

Kris Kruse strolls around the park and enjoys the pleasant atmosphere.

The Class of '84 got together for a final time as a group for a day of fun on May 4, 1984, at the Schlitterbahn in New Braunfels, Texas. Seniors enjoyed water slides, river shoots, paddle boats, water volleyball and lying out in the sun. Bar-B-Que was served for lunch. "I really enjoyed the day with all of my classmates. I had a lot of time to relax, play and sunbathe. I felt like all of the seniors had fun," said Nancy Herriott.

Bruce, Tim, Gerald, Jimmy, Warren, Jeff, and Robert clown around and carry their tubes around the park the easy way.

Robert Monroe says, "Please, not while I'm doing Science."

EIGHTH GRADE CLASS OFFICERS — Pres. — Chris York; Vice-Pres. — Becky Walker; Sec.-Treas. — Nancy Thompson.

Eighth grade is a very special and important year. It is a year of leadership, learning and taking on new responsibilities, and most of all, preparing to take on the challenge of their first year in high school. Eighth graders will move up another step on the ladder of life and spend their remaining years in Bandera High School, having fun and living life one day at a time. For the class of 1988, the best is yet to come.

Sixth grade students are faced with many new responsibilities and privileges when they enter Junior High. Among these privileges and responsibilities are electing class officers, receiving a locker for the first time, and taking elective courses which are interesting rather than required.

Sixth grade is the time when you leave the world of elementary behind and also marks the turning point where responsibilities are shouldered and life takes on new meaning. It is a time where decisions and memories are made that will last a lifetime.

Monty Montgomery and Alan Richardson, alias Mad Scientist and Igor, show off their latest talents.

Junior High Bulldogs had a very exciting season in 1984. Many of the younger Bulldogs were prolific scorers for their teams. This brightens the future for BHS, when as High School Bulldogs they compete at district level and very possibly the state level. They are surely capable of going all the way to state.

These younger Bulldogs will be prepared when they reach High School level, to keep the winning tradition at Bandera.

Kicking off their first season in football were the seventh graders. Although they were low men on the totem pole as far as football was concerned they tried hard and gained a lot of valuable experience. For many this may be a passing fancy, but for those talented few who will go on to play on our varsity teams they have a bright future. Many opportunities will arise to these future football stars, things such as college scholarships, the NFL . . . Who knows? They say great things start small!

With two years of experience under their belt eighth graders will soon be facing four years of high school football, which is a big step. Some may get the chance to play varsity their freshman year and then again some may just be average but the next four years will be more challenging and exciting than ever for them. Watch out freshmen and sophomores, eighth grade is on their way up!

Junior High . . .

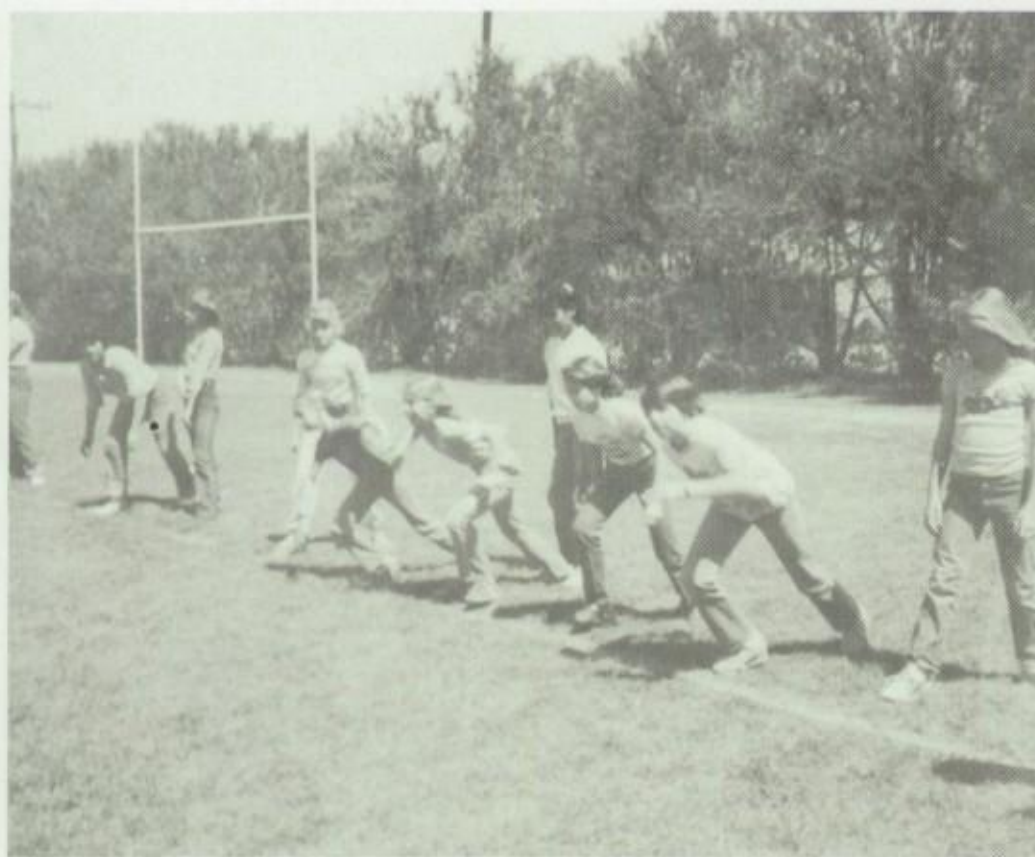

The 1984 Little Olympics, Quarterback trophy was won by the 6th grade whose reps. were James Nearn and Mary Molina. The Dan Tschirhart trophy was won by the 8th grade. High point winners were Ruth Mazurek and Chris York.

Jeff anxiously awaits his next event.

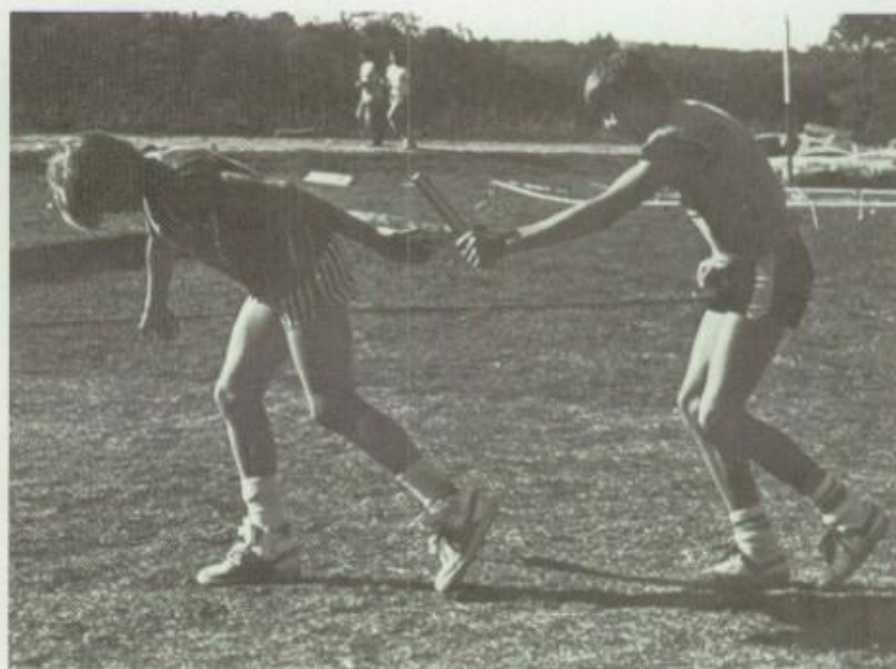

A face only a mother could love.

Fifth grade girls practice the 25 yd. double shuttle for the upcoming Little Olympics.

Shannon Perry and Shea Hicks gracefully practice their hand off.

Come on Jeff, it's not that hard.

... at Its Best

All it takes is a little muscle Miss Vogler.

Could these be our future Vogue models???

Don't look so surprised Shea.

Does Coach White think he's bad or what?

Lacie Howard takes to Kindergarten well.

Elementary

Elementary, on the Go!

Elementary! It's a time of new beginnings, new friends, laughter, learning, and just having a good time. Some of our best memories will come from the beginning years of our journey through school. Learning to read for the first time, or maybe just playing on the monkey bars with your friends, elementary school will surely leave its mark on the scores of children that leave it behind and travel on to new experiences.

Smile! You're on Candid Camera!!

Terry D'Spain, winner of the yearbook raffle, gets his gift certificate from Kathy Ryan, a member of the BHS annual staff.

Bad day, huh Robbin!

Under the direction of Mrs. Kathy Gardner and Mrs. Shelly Quarles, Special Education children learn to lead more productive lives. However, they still participate in fun activities such as going to the circus, competing in Little Olympics, and performing in the school talent show. Activities like these are things that all children enjoy and they also make their lives a little more colorful.

Friendly, affectionate and responsible describe the fourth grade. As they learn long division, multiplication and creative writing they are also developing an uninhibited self expression. A spirited group of youth who show not only the "Will to Win" but the "Will to Learn." As they move forward they will become . . . the best of classes.

Third grade is a time of change and development. A year of happiness, fun and the continuation of the years of adolescence. The students' minds are molded to prepare them for what lies ahead. As well as beginning to learn the meaning of competition. It's fun but also a lot of work.

Second Grade Personalities Shine in 84

Happy faces with personalities of their own,
 What will they be when they're all grown?
 Will they have a family or live all alone?
 Will they be average or very well known?
 No one knows what will be their role,
 But we all hope they'll reach their goal.
 Second graders have dreams like you and I,
 But these kids have dreams and reach for the sky.

Go ahead, make my day!

First Graders are just starting their first years of school. They have many hardships which they have to endure; but they also have many happy times to look forward to.

Each one of these students have different personalities that will someday form a unique and unified class.

First Graders are all smiles!!

Kindergarten: A Breed Apart

If you were to think back to your Kindergarten years, you might remember coloring and painting. But now, with the help and guidance of Mrs. Kindla, Mrs. Graves, and Mrs. Niccum, the children are learning things that will help them shape their lives.

S O A R L I K E A N E A G L E

When an eagle takes flight, he turns his eyes to the sky and flies the truest, straightest course he can to reach his destination.

We're not so different as we get ready to meet the challenges everyday life hands us. To get a project done on time. To knock 'em dead on opening night. To set a goal and have the satisfaction of making it happen. To soar like an eagle is simply giving the best in yourself.

Dare to fly.

In Memoriam

They go before —
And yet we never can really accept
What has happened to them.
“It isn’t fair!” we shout
“Why them, why now?”
Our anger will fade to acceptance
How soon until we
Remember the good times
And the good they’ve done?
How soon until they
Become a beautiful memory
Instead of a sad one?
Maybe a month, a year
Perhaps even a decade,
Maybe never —

1984 Spring Band Concert

The Final song of the 1983-1984 Spring Band concert was "Stars and Stripes."

The Band Boosters presented the banner to the Band to fly over Main Street downtown.

Mr. Pfeiffer conducts the band.

The Senior Band members are recognized for a winning career at BHS.

Grouped Together by Friendship

Sally and Shannon think they're #1!

Journalism at its best! Wendy, Melissa, Nancy, Seana, Daria, working?

Randy, Jenny and Lisa gossip.

Lorna and Diana clown around with Janet and Myla.

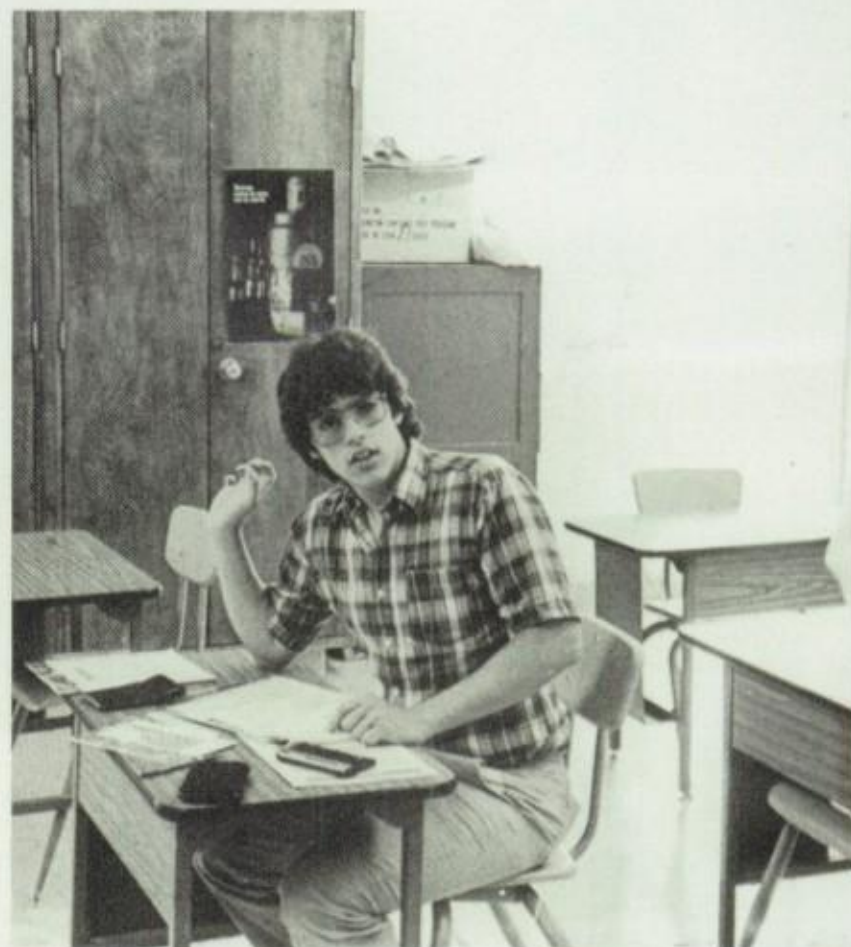

Nancy and Kathy prepare for Wendy's birthday party.

Various Roles Include Work

Top: A picture taken by the Physics Class of the Bulldog painted by Mrs. Mary Welch in the front hall of BHS. **Right:** "Am I really soaking in it? (Palmolive)" asks Ted Celis.

Opposite Page, Upper Right: I wonder what Anne Anderson and Terri Butler did during Break that was so funny. **Mid Right:** Pesky David Schwarz jumps in between Randy McHaney and Bubba Caloss for the picture. **Far Right:** Could Christine Flemming and Kellie Clements be thinking of what problems they can cause this weekend?

and Play at BHS!!

The 1983-1984 Physics Class made a camera out of a cardboard box with a small hole covered by a piece of paper. Inside was an unexposed negative frame. By removing the piece of paper for a split second, the negative frame was exposed, to later be used to produce a picture.

Senior Slave Day, April 13, 1984

SENIOR SLAVES, 1984 — **Standing, L-R:** Terry Hodges, Karen Rizner, Tina Doeblbler, Keith Kindla, Mary Bolan, Dyke Ferrell, Tim Butler, Ralph Kluna, Jerry Hodges, Jeff Ott, Gerald Boyd, Nancy Herriott, Jimmy Perkins, Bruce Robison, Jerry Don Joiner, Warren Clington. **Seated, L-R:** David Schwarz, Delbert Duchenaux, Steve Nolan, Gary Galland, Joe Kalka.

Karen Rizner struts her stuff!

Bruce obviously sees something he likes.

Nancy Herriot (Aunt Jermima) with Delbert and Jeff.

"Honest, Joy, we were doing a stunt so we were late!" say Tina and Karen.

Jeff Ott is sold into bondage during the sale Apr. 11.

L-R: Aiding in the sale are Mr. Telvy Robbins, Auctioneer Stan Kendricks, Malisa Methvin, Tina Doeblbler, and Mrs. Caloss.

Senior Slave Day is the annual event in which the members of the senior class sell themselves as slaves to underclassmen, classmates, and teachers. This is all done in the spirit of fun (and sometimes revenge!) to help the senior class raise money for their year-end activities such as their Senior Day trip and Graduation.

It is traditional for the masters to dress the slaves in (to say the least) unusual costumes. There are also many odd stunts thought up by the masters to amuse the public (and sometimes embarrass the slaves!). It is all part of the Slave day merri-ment that makes this day one of the funniest and most memorable of the school year.

Trends of the 80's

1984 has brought about many fads. Both boys and girls have been caught up in a whirlwind of trends. This year these include — jelly's, crop pants, twister beads, shimmels, Kaepa's, designer jeans, topsiders, penny loafers, button-down shirts, Polo's, Izod's, punk haircuts, break dancing, the moonwalk, body building, aerobics, visors, the coast, sunglasses, O.P. t-shirts, basketball shoes, Care Bears, Cabbage Patch Kids, Garfield, Smurfs, E.T., the movie Terms of

Endearment, Michael Jackson, video games, Pac Man, bandanas, short prom dresses, the color pink and purple, computers, parachute pants, Seventeen Magazine, and add-a-bead necklaces. Some of these will last but many will fade away only to be remembered by the 80's generation. Our children will probably think we're crazy for wearing and liking the things we did, but we'll think of it as part of the "Times of Our Lives."

Christine Caloss and Tiffin Youngblood demonstrate the power of sophistication.

Some of the fondest memories of the **Class of 1984** were the times that we made new discoveries and experienced new emotions.

We learned responsibility — to make a commitment and keep it, no matter how much time and dedication it required. At times we were worn down, but we always struggled to keep a constant pace.

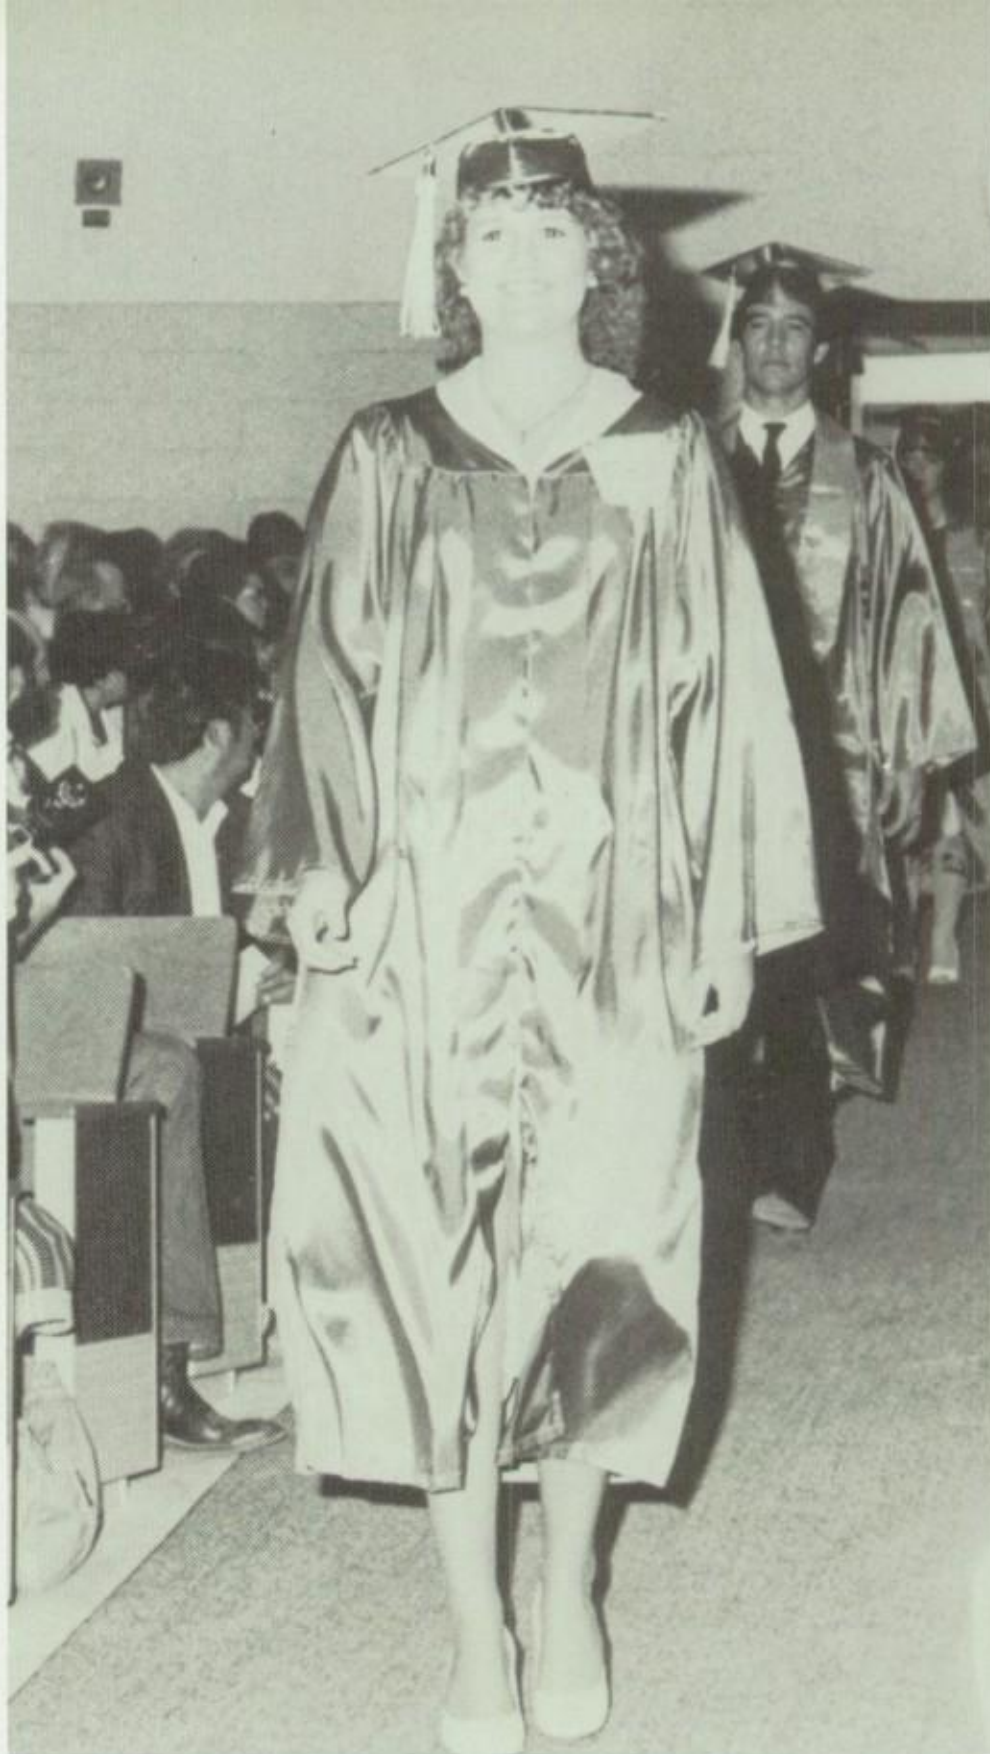

For some it was band or cheerleading. For others, it was a sport or two. Participants discovered a nonstop will that kept us going in a positive direction. We practiced whenever and wherever possible — always moving forward. The mental concentration and physical abuse reached new heights. We were all striving for a similar goal — personal and overall perfection; to be better than ever before.

There were others of us, of course, who chose to be less involved in school. We were the ones who played the part of the dedicated employees. We worked long hours, received slave pay; but, nevertheless, we had a good time.

Still there were the times when no one could be categorized. The times were those when we all gathered for a celebration, for a special picture, a school activity, or for the lack of anything better to do.

But all good things must come to an end. Here is where we say our farewell to each of you, the **Class of 1984**.

Kelly Maier — always wears a brightening smile!

Tim Butler receives his graduation diploma from School Board President Mr. Thomas Keese.

Farewell — Class of 1984

Senior class members Dyke Ferrell, Chris Seaman, Ollis Oliver, Delbert Duchenaux, and Randy Andrews toast a final farewell to the Class of 1984.

Tina Doebbler, Senior Class President closes the Commencement with an address to our parents, teachers, and friends.

Kim Compton stunned-while proceeding toward the stage . . . she figured out this was the finale of high school.

Mrs. Margie Keese

Along with the many accomplishments of 1984, it also marks the twelfth year of Mrs. Margie Keese to sponsor the journalism department. If not for the hard work of this remarkable woman, BHS would not be able to have an annual every year. Her work and support has helped numerous students. Some of her students have even gone on to be a member of journalism in college. Christine Caloss said, "Journalism itself was good, but with Mrs. Keese's encouragement she made it the greatest!" Many people feel the same way. Without her love, understanding, and guidance, journalism would have been just another class. This year's staff would like to thank Mrs. Keese and wish her many happy years in journalism ahead.

Mrs. Keese begins assigning pages to her journalism staff.

Mr. Pfeiffer, Mr. Graves, Mrs. Keese, Mrs. Welch, and Mr. Neville pose for a picture as sponsors of the NHS. Mrs. Keese is also a senior class sponsor and she teaches accounting, and typing classes.

Mrs. Keese shudders at the thought of another missed deadline.

Well it's finally over!! My days in journalism have swiftly come to a close. Next year there will be new editors and a new annual. It seems so hard to believe that I will no longer be taking pictures of football games with Christine or laying out pages or be doing anything that has to do with the school annual. I'm sure next year's editors will do a fine job. I wish them the best.

Now is the part where I'm supposed to thank all of the people who made this annual possible. This includes every person involved in BHS plus several others. So thank you, everybody for your help in making the 1984 *Bulldog* the best ever. But I would especially like to thank the staff, Mr. Jim Evans, my mom, the faculty, and my co-editor. Also thanks Mrs. Margie Keese for sponsoring us so that the students may have their own student run annual and for putting up with our craziness. She had to withstand laughing, yelling, screaming, parties, gossiping, deadlines, and all of the teasing we gave her about her country-girl accent. It would be enough to scare anyone away, but she hasn't left yet!

I guess its time to close. Once again thank you. I am really going to miss school and all of the fun people next year. I wish BHS the best of luck for many years to come.

God bless everyone,

Nancy

Now that it's all over — there's a lot to regret but so much more to remember and laugh at.

First, a special thanks to devoted sponsor and friend Mrs. Margie Keese. Without her help in journalism we would have never made it. Another grand thank you to Mom and Daddy. You have brought me a long way from the first grade, (if you know what I mean).

Thanks to Nancy my buddy and co-editor — "hey we're tough!" Thanks to the staff and special friends like Jim, Bubba and Bruce for added support and emergency aid.

I sincerely hope this *Bulldog* will be as special to each of you as it is to me. Each one of the students and staff at BHS made this possible. To next year's editors and the staff of the 1985 *Bulldog* — sincere good wishes and the best of luck to each of you.

After the short three years in journalism, I can't imagine parting with it, it has been so rewarding and quite a character building experience.

Thank you so much for making my years at BHS, the "Time of My Life."

Good Luck Always;

Toni Byam
